

# BRONWIN & ABBEY LTD

## OUR VISION

*Our vision is to be the first-choice partner for woodland management, establishment, creation and timber harvesting for privately owned woodlands & landowners in England & Wales.*

## ELEVATOR

Bronwin & Abbey, a reputable name in forest management, has undergone significant changes in recent years and in 2022 became part of the Velcourt group. The company has a history of upholding high standards and optimising returns for our clients. We are on a mission to expand our influence and replicate historical successes in a changing rural economic landscape.

At a time when forestry is firmly on the rural agenda, we offer a comprehensive approach to forest management which fully encompasses the demands of woodland owners, the timber markets and the regulators. From establishment and harvesting to navigating the ever increasing levels of legalities and compliance, Bronwin & Abbey is committed to delivering a high quality service to our clients through one unified team setting a standard for excellence fit for the future.

Our vision is clear: to emerge as the first choice for landowners by providing unparalleled expertise and continuing to be a respected authority in the future of forest management. Join us on this exciting journey, where we lead, innovate, and shape the landscape for the future.
